Mumbai-400021

Dear Sir,

We thank you for issuing direction to the branches to send the roaster of club member Agents with their signature. However, we find that branches are not very clear about the details of the policies to be included in the roaster. For example, Autocover policies , Unit Linked Policies , Singal Premium Policies are some branches considered, whereas some branches are not take it. The solution for this confusion. we feel, is to give the direction in a tabular form showing the various instructions for the particular type of policies. This will enable all branches to follow the directives clearly. We hope you will do the needful.

There are two holidays coming in this year end - , 29th and 31st .Unless the commission as on 31st March is taken into account some agents may not qualify/continue for club membership. So, direction may given to include commission upto and including 31st March, though the billing is done on 1st April, for the purpose of qualifying/continuing for club membership.

Thanking you.

Yours faithfully,

P.G. Dileep
General Secretary
