Dear Sir,

We had a discussion in the office of the Chairman on 20th July 2012. We find that no circular has been issued on the two major points agreed in the discussion. One is enhancing the gratuity to Rs.3 lakhs and the other one is enhancing the age of group insurance from 65 to 70 years. While government approval may be required in the first case, we were wondering why a circular on enhancement of age for group insurance is not forthcoming till now. We hope you are processing the case to be in force with retrospective effect.

Thanking You,

Yours faithfully,

P.G. Dileep,
General Secretary
